MEMORANDUM FOR: Acting Director of Central Intelligence

FROM:

  
Director, Intelligence Community Staff

25X1

SUBJECT: Reply to Judge Clark's 4 October memorandum on  
National Space Strategy

1. Attached for your signature is a proposed memorandum to the Assistant to the President for National Security Affairs. The memorandum documents the concerns we have over Judge Clark's 4 October request for information to be used in producing a national space strategy for the President. The proposed memorandum documents the concerns we addressed to you prior to your meeting with Judge Clark on 12 October (see reference 1) and most which remain, even after receipt of the 14 October note signed by RADM Poindexter (see reference 2).

2. The memorandum to Mr. McFarlane is needed to spell out some remaining significant ambiguities in the request for information. The memorandum will also ensure that our concerns are on the record to the NSC Staff and that the NSC Staff will be formally witting to any forthcoming clarification.
